21

CASE NO. CV 07-05415 MMC

**STIPULATION CONCURRING IN
THE FILING OF STANFORD'S
MOTION FOR ADMINISTRATIVE
RELIEF AND [PROPOSED]
ORDER**

22
23
24
25 Pursuant to Civil L.R. 7-11, the parties to the above entitled action jointly submit this
26 Stipulation regarding Stanford's proposal to delay the Case Management Conference until
27 March 7, 2008, or longer depending on the Court's schedule and the [Proposed] Order.
28

1 Both Stanford and ABL believe that rescheduling the current Case Management
2 Conference from February 1, 2008 to March 7, 2008 will enable the parties to further explore
3 and potentially settle all issues involved in this litigation.

4 Stanford and ABL have met in person and have had numerous discussions in order to
5 resolve this litigation. Both parties agree that a one month extension would allow the parties to
6 establish whether or not a settlement can be reached without requiring the Court's intervention.

7 Accordingly, Stanford and ABL propose that the Case Management Conference be
8 rescheduled to March 7, 2008 or as soon after as is convenient to the Court.
